Administrative Updates

Steve Lyons

-Dr Chapman was here for an hour, gave glimpse into potential challenges of school funding. He talked about non UIL sports going away, other district changes, talked about e-mailing your congressmen and asking for more funding for Comal ISD, talked about how great our district is and how many state athletes and champions we have. He shared a personal story about his son who was personally affected by his coaches. Also vote!! only 6% of our district votes. Strongly encouraged parents to volunteer and get involved.

-On the 21st, there was a meeting with coaches, went great, answered questions, walked through process about submitting funding request forms.

WarriorFest Updates

Brad showed Warrior Fest Video.

We are looking for silver sponsors, family and friends, going to make some minor changes to document but it is pretty close to final. In conversation with Josh Abbot to be entertainment, will finalize this week and start moving forward.

Questions:

Friday is what? Cooks shoot is Friday morning, others will be Friday night. Saturday is still shoot and Coofoff awards and concert that evening. There will be tables Sat at the concert.

Sponsorships - We can do custom sponsorships not looking to turn anyone away, receptive to all offers of help. We will need a village to help with all roles. Getting close to fully launch, yes, we are still looking at fitting auction in. no dogs please. :)

How do we need help? volunteering that night. Steve is not sure yet about volunteer opportunities.

New Business

Spirit gear - Steve talked to Amy to get a few options in person and then going through an order process, want to eliminate excess of wrong sizes. Need a few samples then can take orders. Amy is trying to figure out how to make that efficient. trying to go that direction with it, orders first.

7:16 Meeting adjourned.
